WHO WE ARE

Building a Legacy of Trust & Quality

- ✓ ISO-compliant quality management processes
- ✓ Experienced team of engineers & technicians
- ✓ In-house design, fabrication & execution
- ✓ On-time delivery with transparent pricing
- ✓ Post-project maintenance & support

Square Construction is a Surat-based premium construction and industrial solutions company with over 15 years of excellence.

Since 2009, we have been delivering high-quality prefabricated structures, civil engineering works, roofing systems, and industrial fabrication projects across Gujarat and beyond.

We are trusted partners of industry giants including **L&T, Grasim Industries, Urban AAC and CEM India**, which enables us to source premium-grade materials at competitive prices — a benefit we pass on directly to our clients.

Our dedicated team of over 50 skilled professionals ensures that every project meets the highest standards of safety, quality and structural integrity. From a small factory shed to a large-scale industrial complex, we bring the same passion and precision to every build.

“*We don't just build structures — we build lasting relationships, trusted legacies, and a stronger India.*”

— **Bhavin, Founder, Square Construction**

WHAT WE OFFER

Comprehensive Construction Solutions

From design to delivery — every service you need to bring your construction vision to life.

Prefabricated Structures

High-strength PEB warehouses, industrial sheds, portable cabins and modular buildings fabricated with precision and installed rapidly. Labour colonies, factory sheds and storage complexes.

Civil Work

Comprehensive civil engineering — RCC foundations, structural frames, masonry, plastering and complete site development. Turnkey construction for industrial and commercial projects.

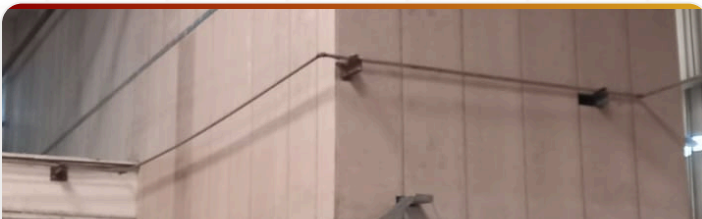

Roofing Systems

Insulated sandwich panel, profile sheet and arch roofing solutions for large-span industrial, commercial and agricultural buildings. Leak-proof and weather-resistant.

Industrial Fabrication

Precision structural steel — MIS tubes, hollow sections, angles, channels, I-beams and custom metalwork. Hot-dip galvanised and epoxy-painted to specification.

Ceiling & Partition

Professional gypsum board, mineral fiber and designer ceiling solutions with superior sound insulation. Interior wall partitions with modern finishes for offices and factories.

Renovation & Aluminium

Expert renovation and structural restoration for existing buildings. Custom aluminium sliding doors, windows and shopfronts for commercial and industrial applications.

★ OUR PORTFOLIO

Projects That Define Excellence

PREFABRICATED

Labour Colony Complex

A large-scale prefabricated labour colony built for an industrial client in Surat. Includes modular sleeping quarters, dining areas, and sanitation blocks — all erected in under 45 days.

📍 Surat, Gujarat 📅 2024

ROOFING

Industrial Arch Roofing

Large-span self-supporting arch roof for a manufacturing plant — 8,000 sq.ft., leak-proof insulated panels.

📍 Bharuch, Gujarat

CIVIL WORK

Industrial RCC Structure

Complete RCC structural frame with deep foundations for a multi-floor factory building. 3,200 sq.ft.

📍 Surat, Gujarat

CEILING & PARTITION

Warehouse Interior Fit-Out

Complete false ceiling and gypsum partition for a 5,000 sq.ft. commercial warehouse space.

📍 Surat, Gujarat

PROJECT GALLERY

250+ Projects Delivered Across Gujarat

A selection of our finest projects spanning prefabricated structures, civil work, roofing systems and industrial fabrication.

PREFABRICATED
PEB Industrial Shed

12,000 sq.ft. pre-engineered building for a logistics firm. Delivered in 30 days.

ROOFING + FABRICATION
Factory Roofing & Cladding

Profile sheet roofing with sidewall cladding for a chemical processing plant.

PREFABRICATED
Labour Colony Phase 2

Expansion of prefab colony for a construction contractor – 80 rooms added.

FABRICATION
Structural Steel Fabrication

Custom I-beam and hollow-section fabrication for a multi-story frame structure.

PREFABRICATED
Wall Partition System

Prefabricated sandwich-panel walls for a clean-room industrial facility.

CIVIL WORK
Site Development & Flooring

Complete site levelling, concrete flooring and drainage for a 2-acre factory plot.

TRUSTED PARTNERS

Associated With Industry Leaders

We source premium materials exclusively from India's most reputed construction brands, ensuring superior quality in every project.
